

FSJ Meeting Minutes

9-14-22

The meeting was called to order.

Pastor Biebert led an opening devotion from John 6.

Business was then discussed.

We looked over the financial report. The new playground is scheduled to be put in next spring. Mr. Allard is planning to request a \$15,000 grant from Clark County to be used toward the playground.

Fall Dinner-Oct 16

A motion was made, seconded, and approved to have Joel and Darlene Zschernitz as our honored guests at the fall dinner. Joel & Darlene have helped out with cleaning and repair around the ELC and school, Darlene has helped in the office, they are both hosting our student teachers right now, and they have both helped out at our Galas, Winter Carnivals, garage sales, and much more. Gloria Hamm was the other possibility mentioned; we would like her to be the honored guest next year.

Proceeds: A motion was made, seconded, and approved to have fall dinner proceeds go to the playground fund.

Mike has emailed Chris Poeschel on doing a new Hornet apparel form. Those order forms should be ready soon. Basketball shorts will be on the order forms, and all basketball parents will be encouraged to order these. We are tentatively planning to have two orders before Christmas. Parents were encouraged to let Mr. Allard know if there are items they would like to see on future orders.

We are planning to have another Berres Brothers coffee order next spring.

We talked about the possibility of having another gala. There was some feeling that we should stick with having this every other year. We also talked about having a Bean Bag Tournament at Apple Valley and using this as a possible fundraiser, perhaps with raffle items. Mike will mention this tournament to the HIS group.

Parents from Mike's classroom would like to get together with him to discuss a possible trip to the Creation Museum, which was first brought up last January.

Mike and Stacy Mathis led a presentation on "Wait Until 8th."

The meeting was closed with the blessing.

January Meeting Topic: Camp Phillip summer camp presentation by Natalie Boon and Anita Mathis.
